COMMUNION

We observe the Lord's Supper this morning as we do on the first Sunday of each month. We practice "open communion," meaning that participants should be believers, but need not be members of this church. We practice a memorial view of the Lord's Supper, meaning that the bread and cup are symbols that remind us of the sacrifice made by Jesus when He died for our sins. After you are served, please wait to partake of the bread and then the cup so we can all do so together. When finished, place cups in the cup holder on the back of the chair in front of you.

OPEN WIFI - LOCC GUEST (NO PASSWORD REQUIRED)

*Our mission is to equip and encourage
people to finish well for the glory of God.*

MEDICAL ASSIST TEAM

The Leadership of LOCC is establishing a "first responder" medical team to assist in the case of a medical emergency during one of our services or events. If you are or were a nurse, doctor, or EMT or are presently CPR certified, and would be willing to serve on this team, please contact Paul Erdmann, our church Administrator. Once we have identified a core group (hopefully by the first of the year), we will meet to develop protocols, determine supply and equipment needs, and map out scheduling so we have adequate coverage at all services and events. If interested, please respond ASAP to Paul Erdmann at administrator@liveoakchurch.org
